At Roaring Studios, we respect your need for online privacy and protect any Personal Information that you may share with us, in an appropriate manner. Our practice with respect to use of your Personal Information is as set forth below in this Privacy Policy Statement. As a condition to use of Roaring Studios' Services, you consent to the terms of the Privacy Policy Statement as it may be updated from time to time. This Privacy Policy Statement applies exclusively to all the products and services of Roaring Studios.

If you have an unresolved privacy or data use concern that we have not addressed satisfactorily, please contact us at info@roaringstudios.com.

Children's Online Privacy Protection

Roaring Studios does not knowingly collect Personal Information from users who are under 13 years of age.

Information Recorded and Use:

- Personal Information

During the Registration Process for creating a user account, we request for your name and email address. You will also be asked to choose a unique username and a password, which will be used solely for the purpose of providing access to your user account. Upon registration you will have to provide us your email and phone number, either of the two will be used solely for the purpose of resetting your password. Your name and email address will be used to inform you regarding new services, releases, upcoming events and changes in this Privacy Policy Statement.

Roaring Studios will have access to third party personal information provided by you as part of using Roaring Studios Services. This information may include third party names, email addresses, phone numbers and physical addresses and will be used for servicing your requirements as expressed by you to Roaring Studios and solely as part and parcel of your use of Roaring Studios Services. We do not share this third party personal information with anyone for promotional purposes, nor do we utilize it for any purposes not expressly consented to by you. When you elect to refer friends to the website, we request their email address and name to facilitate the request and deliver a one time email. Your friend may contact us at info@roaringstudios.com to request that we remove this information from our database.

We post user testimonials on our website. These testimonials may include names and other Personal Information and we acquire permission from our users prior to posting these on our website. Roaring Studios is not responsible for the Personal Information users elect to post within their testimonials.

- Usage Details

Your usage details such as time, frequency, duration and pattern of use, features used and the amount of storage used will be recorded by us in order to enhance your experience of

the Roaring Studios Services and to help us provide you the best possible service.

- Contents of your User Account

We store and maintain files, documents, and other data stored in your user account at our purchased servers. In order to prevent loss of data due to errors or system failures, we also keep backup copies of data including the contents of your user account. Hence your files and data may remain on our servers even after deletion or termination of your user account. We may retain and use your Personal Information and data as necessary to comply with our legal obligations, resolve disputes, and enforce our rights. We assure you that the contents of your user account will not be disclosed to anyone and will not be accessible even to employees of Roaring Studios except in circumstances specifically mentioned in this Privacy Policy Statement and Terms of Services. We also do not scan the contents of your user account for serving targeted advertisements.

- Payment Information

In case of services requiring payment, we request payment account information, which will be used solely for processing payments. Your financial information or credit card information, if provided will not be stored by us except for the name and address of the card holder, the expiry date and the last four digits of the Credit Card number. Investigation of Illegal Activity

We may need to provide access to your Personal Information and the contents of your user account to our employees and service providers for the purpose of investigating any suspected illegal activity or potential violation of the terms and conditions for use of Roaring Studios Services. However, Roaring Studios will ensure that such access is in compliance with this Privacy Policy Statement and subject to appropriate confidentiality and security measures.

Enforcement of Privacy Policy

We make every effort, including periodic reviews to ensure that Personal Information provided by you is used in conformity with this Privacy Policy Statement. If you have any concerns regarding our adherence to this Privacy Policy Statement or the manner in which Personal Information is used for the purpose of providing Roaring Studios Services, kindly contact Roaring Studios Customer Support Services at info@roaringstudios.com. We will contact you to address your concerns and we will also co-operate with regulatory authorities in this regard if needed.

Notification of Changes

We may modify the Privacy Policy Statement upon notice to you at any time through a service announcement or by sending email to your primary email address. If we make significant changes in the Privacy Policy Statement that affect your rights, You will be provided with at least 30 days advance notice of the changes by email to your primary email address. You may terminate your use of Roaring Studios Services by providing

Roaring Studios notice by email within 30 days of being notified of the availability of the modified Privacy Policy Statement if the Privacy Policy Statement is modified in a manner that substantially affects your rights in connection with use of Roaring Studios Services. Your continued use of Roaring Studios Services after the effective date of any change to the Privacy Policy Statement will be deemed to be your agreement to the modified Privacy Policy Statement. You will not receive email notification of minor changes to the Privacy Policy Statement. If you are concerned about how your Personal Information is used, you should check back our privacy policy periodically.

Blogs and Forums

We provide the capacity for users to post information in blogs and forums for sharing information in a public space on the website. This information is publicly available to all users of these forums and visitors to our website. We require registration to publish information, but given the public nature of both platforms, any Personal Information disclosed within these forums may be used to contact users with unsolicited messages. We encourage users to be cautious in disclosure of Personal Information in public forums as Roaring Studios is not responsible for the Personal Information users elect to disclose.

Roaring Studios also supports third party widgets such as Facebook and Twitter buttons on the website that allow users to share articles and other information on different platforms. These widgets may collect your IP address, which page you are visiting on our site, and may set a cookie to enable the widgets to function properly. These widgets do not collect or store any Personal Information from users on the website and simply act as a bridge for your convenience in sharing information. Your interactions with these widgets are governed by the privacy policy of the company providing it.
